

## Bartle 2024 Merit Badge Request Form

List the merit badges your scout would like to take in accordance with the Merit Badge Schedule on page 9-10 of the Program Guide. If your Scout chooses a 3 day merit badge, they must select two merit badges for the time slot. Pay close attention to the NOTES that have restrictions on who can sign up for merit badges, some require an age or number of summers at camp. Note: Camp Ben Delatour last year counts as a first year of camp for anyone who attended there and not Bartle, so this is your scouts second year at camp if they went to a Colorado Camp.

Please list overall preference on the right in case something does not work out we can do our best to substitute something you would like!!

Be careful to select merit badges near each other. Trying to get from a water merit badge to ecology or handicraft would be a long walk. We will do our best to meet the requests below, the more flexibility you provide, the easier it will be to get something you want!
