

BSA Troop 114
Permission and Liability Release Form

Activity: H. Row Bartle Summer Camp
When: June 22 – July 2, 2022
Where: Bartle Scout Reservation, Missouri

Participant's Name: _____

Summer camp will be at H. Roe Bartle Scout Reservation near Osceola, Missouri. We will be driving to the camp on Wednesday, June 22nd and Thursday, June 23rd, staying the night of the 22nd at Camp Bromelsick near Lawrence, Kansas, and drive/hike the rest of the way to camp the morning of June 23rd. The scouts will be attending camp and participating in its normal program activities from June 23rd through breakfast on July 2nd. We will return to the Littleton area on July 2nd. Travel will be by personal vehicles. This trip may involve strenuous activity, depending on the specific programs each Scout elects to participate in. All camp program activities, including aquatics, rope climbing, and shooting sports, will be under the supervision of trained camp staff. The troop will also provide other program activities which may include hiking, aquatics, and/or physical labor on conservation and other service projects. I acknowledge that I am planning to make a five mile round-trip hike to Iconium with the group one afternoon of summer camp with enthusiasm and a smile. If I anticipate hiking being a problem, I will start easier hikes now to break in my boots and get physically ready for the harder hikes at camp. Summer camping conditions, including high temperatures, strong ultraviolet rays, biting insects or animals, thunderstorms, and high humidity will be likely so make sure that you have appropriate protective clothes and equipment and appropriate sleeping gear. **Be prepared!**

Due to the uncertainty of the weather, it is not possible to predict what the conditions will be. Precautions to provide a safe and enjoyable experience will be taken, but there can be no guarantee of absolute safety against injury or accident. In recognition of the inherent risks of attending the Bartle Camp Trip I (and for or on behalf of my child participant) assume full responsibility for personal injury, accidents and illness, including death, that may occur from my child's (or my) participation. Each participant is required to be prepared to provide and wear their own face covering as well as bringing hand sanitizer. Please remember that any activity outside of a participant's household increases potential exposure to COVID-19 and other pathogens. Precautions to provide a safe and enjoyable experience will be taken, but there can be no guarantee of absolute safety against injury, accident, or exposure.

I acknowledge that I understand the risks associated with participating in the Bartle Camp Trip (whether outlined herein or not) and do hereby release, forever discharge and agree to hold harmless the Boy Scouts of America, Troop 114, and any of its adult leaders from any and all liability, claims or demands for personal injury, sickness or death, as well as property damage and expenses, of any nature whatsoever which may be incurred by me or my child while participating in the Bartle Camp Trip.
