

Troop 114 Girls—Inaugural Year

Acronyms

ASM - Assistant Scoutmaster

ASPL - Assistant Senior Patrol Leader

BOR - Board of Review

CC - Committee Chair

COH - Court of Honor

EBOR - Eagle Board of Review

SPL - Senior Patrol Leader

QM - Quartermaster

PL - Patrol Leader

APL - Asst. Patrol Leader

PLC - Patrol Leaders Conference

SM - Scoutmaster

Welcome to the Troop

Scouts:

You are embarking on the greatest adventure of your life. By becoming a Scout, you join thousands of youth in learning skills of citizenship, leadership, and self reliance in the outdoors. Troop 114 is dedicated to outdoor skills, camping, adventure, leadership, service to our community, and **fun**!

This guide summarizes things you'll need to become a Scout in Troop 114:

- Meetings & Activities
- Program and Leadership
- Rank Advancement
- Costs and Fundraising Opportunities
- Rules and Guidelines
- Communications and Parental Involvement

Parents:

For their first rank, your scout will memorize the Scout Oath, Scout Law, Motto, Slogan, and Handclasp, as well as the meaning of the Outdoor Code. She will work with the Troop to gain an understanding of how it operates, earn the "Cyber Chip" for the appropriate grade, and learn other basic scout skills. As parent(s), you are required to review with her the pamphlet on "How to Protect Your Children From Child Abuse and Drug Abuse." Please indicate that you have done this by signing the page in the handbook.

After completing these requirements, each scout will have a conference with a Scoutmaster and officially become a "Scout," the first step in the trail to Eagle.

On Thursday, April 11th, at the annual Spring Court of Honor, your scout will be formally inducted into Troop 114. This is a special ceremony attended by all Scouts and their families. At this time, they will be presented a Troop 114 neckerchief, a patrol patch, and other insignia for the uniform.

During the induction, new Scouts will become members of a scout run Patrol where they will learn to work as a team to accomplish anything they dream up. We invite you to become active in the operation of the Troop as well, for only with strong parental support can Scouting be successful.

Welcome to your Troop!

Meetings

In the spirit of Family Scouting, Troop 114 Girls will maintain a schedule mostly consistent with Troop 114 Boys. Troop meetings will be at the same time and location, campouts will be on the same weekends (if possible), and the two Troops mean parents can have a member in both units simultaneously.

Troop Meetings - Every Thursday 7PM to 8:30PM **Patrol Leader's Council**—To be announced.

Monthly Campouts/Outings - We're aiming for an outdoor activity the third weekend of each month. Camp will usually be Friday evening - Sunday morning, day outings will be either Saturday or Sunday.

Other Activities - As announced, this includes frequent service projects, Patrol Meetings, and other Council or District sponsored events. These activities are announced at weekly Troop Meetings and via email.

For Parents: Troop Parents Committee Meeting—TBA. Troop 114 Boys Committee currently meets the 2nd Tuesday of every month, 7:00PM-8:00PM

Scoutmaster's Summit - Schedule TBA.

Troop youth leaders will develop an annual or semi-annual calendar of events. In this first year, in the interest of securing reservations and taking several quality trips, we've already scheduled weekend camps and a summer camp at Peaceful Valley. Monthly committee meeting minutes are posted on the website and are an excellent way of keeping up to date with what is happening in the Troop.

Troop 114 follows the LPS calendar for scheduling and snow-out/other cancellations.

Celebrating more than 75 Years of Scouting in Littleton, Colorado.

Spring Court of Honor

Thursday, April 11th 6:00 PM - 8:30 PM

Please join us in the LUMC Reception Hall for dinner, awards, and entertainment.

What is a Court of Honor?

A Court of Honor is an awards ceremony & banquet. In Spring of 2019, our new scouts will officially be recognized as members of the Troop, and receive recognition for any awards they earn in the first few months. Troop 114 Boys hold a COH each Spring and Fall; it will be up to the youth and committee to decide on joining them or planning our own. Separate Eagle Courts of Honor are held to recognize youth who have earned Scouting's highest honor. We encourage you and your scout to attend these special Eagle Courts to gain a better understanding of what it means to follow the Scouting Trail to it's completion.

Campouts and Outings

The Troop plans to hold an outdoor activity or campout every month of the year. Campouts will usually be scheduled for the third weekend of the month, departing on Friday evening, and returning Sunday afternoon.

- Scouts travel to and from camp in uniform.
- Your scout should bring a sack dinner on Friday night to eat in transit to the camping location.
- Scouts depart from the church at 5:00PM and will return to the Church on Sunday in the late morning/early afternoon. Your scout will call you during the ride home to let you know when the arrival time will be.
- Scouts should notify their Patrol Leader by the first Troop meeting of the month if they plan to attend the campout that month.
- Scouts of the rank of Scout, Tenderfoot and 2nd Class are required to bring their bags on Thursday before camp for pack inspection. Older scouts will check bags to ensure they are adequately prepared.
- Menus and food are planned by a Patrol member, the expense will be divided up equally among the attendees. Trip costs will be announced towards the beginning of the month, and will cover food, registration for activities and transportation, unless otherwise noted. Deposits are not completely refundable.
- No Scout can attend without having a parent signed permission slip for that camp prior to departure.

Service

A major part of Scouting is service to others. Participating in service projects is required for all rank advancements. Leading service projects is required for advancing to the ranks of Life and Eagle. Organizing projects provides learning opportunities for the youth leaders of the Troop. Whenever possible, Troop 114 Girls will unite with Troop 114 Boys for service.

Service projects have been completed with LUMC, Littleton Chamber of Commerce, South Suburban, VFW, Nature Conservancy, Audubon Society, Colorado State parks, and many more. Troop 114 provides around 1500 hours of service annually.

Your scout should participate service projects whenever they can. Projects are announced at Troop meetings. Flyers with project details and times are usually sent home. Service to others is a staple in the Scouting program, and the benefits are great to the organizer, the contributors and the recipient. Please encourage and enable your Scout to participate, and please share when you know of a potential community service project!

Boy Scout Rank Advancement

The first badge;

Scout can be started as soon as a scout joins a troop,

especially if they have earned the Arrow of Light as a Webelos scout. This first recognition is earned by applying and learning some important scouting basics.

Tenderfoot is the first rank as a Scout. The requirements provide basic skills to

prepare for higher adventure outings. This rank represents a valuable set of skills that a scout has learned and demonstrated.

Second Class scouts work on enhancing their outdoor skills and attending more Troop activities. Having

completed all the requirements, should be able to lead a hike, care for equipment, plan meals, set up camp, and do basic first aid.
Citizenship and Scout Spirit are a part of all Scouting Ranks.

Individual requirement items for Tenderfoot, 2nd Class, and 1st Class ranks may be worked on simultaneously. However, the ranks must be earned in the proper sequence.

When the **First Class** rank is attained, a scout has learned all the basic camping

and outdoors skills of a scout. They can fend for themselves in the wild, lead others on a hike or campout, set up a camp site, plan and properly prepare meals, and provide first aid for most situations they may encounter. A First Class scout is prepared.

Up through First Class rank, a scout was busy learning skills and becoming

a self-sufficient scout. They now move from being a learner to being a leader. The **Star rank** is attained with participation, leadership, service, and self-directed advancement through merit badges.

Continuing to develop leadership skills, the **Life Scout** rank is earned by filling additional leadership

positions, service hours, and merit badges. A Life Scout is expected to be a role model and leader, giving guidance to scouts and helping the troop. Being a good leader can only be learned by doing and leadership positions allow the scout to make decisions, lead discussions, and encourage others.

Attaining the **Eagle** rank is often the end goal of a scout and parents. It looks good on a resume and shows commitment to a program over an extended span of time. But, just like each rank advancement before it, the Eagle rank is a major advancement milestone, but not the culmination of scouting. An Eagle Scout can also continue to lead the troop or

change focus to helping Cub Scouts become Scouts. They may become a Junior Assistant Scoutmaster, helping the Scoutmaster with projects to improve the troop. Or, they can look for worthwhile endeavors outside of scouting to which they can apply scouting skills.

Generally, a new Scout can complete Scout to First Class within one to two years. Star and Life rank can be reached within another one to two years. The path to Eagle Scout can require another complete year and must be achieved by the 18th birthday. Troop 114 has produced 208 Eagle Scouts, some as young as 13-years old and some as old as 17 +364 days. Your Scout will get out of Scouts whatever they commit to Scouts. Troop 114's adult leaders are committed to assisting all Scouts reach and attain their Eagle Scout rank.

Merit Badges

Merit badges are the second main area of the advancement program. There is a degree of choice in the merit badge program. A sub-group of merit badges are known as Eagle Required merit badges. To earn Eagle Scout, most of these badges must be earned. Scouts work on merit badges from the time they join until they turn 18 years old. There is no time limit to completing one, other than turning 18.

New Scouts usually concentrate on advancing in rank during the first year of Scouting, and then begin completing merit badges during Troop Meetings and at camp. Periodically, troops and districts offer optional gatherings called Merit Badge Colleges where a scout can complete several badges all in one session. There are currently 138 Merit Badges offered in the BSA.

Leadership

All policies of the Troop shall be established and governed by the Troop Committee, composed of parents and adult leaders, and shall be in keeping with the philosophies and practices of the Boy Scouts of America and the Littleton United Methodist Church. Activities shall be under the direction and leadership of the Senior Patrol with the guidance of the Scoutmaster.

Scouts are organized into patrols under the direction of a youth Patrol Leader. Other youth positions include Scribe, Librarian, Chaplain's Aide, Assistant Patrol Leader, Quartermaster, Troop Guide and more. Troop 114 Girls hopes to grow rapidly into a multi-patrol unit, but may utilize the patrol method with one patrol to start.

Charter

Troop 114 has been duly authorized and chartered by the Boy Scouts of America and it's sponsor, Littleton United Methodist Church since October, 1941

Every effort is made to assign duties to the youth in the Troop and to set them up for success. Adult Leaders of the Troop are present to assure safety and compliance to the rules and regulations of Troop 114 and the BSA.

Troop Committee

The purpose of the Troop Committee is to provide assistance and guidance to the Scoutmaster and handle the administration of the Troop. Committee meetings will be held monthly, and we'll be evaluating how best to find balance between the 114 Girls and 114 Boys committees. All parents are welcome and encouraged to attend any Committee Meetings and Troop Meetings.

Parent Participation

It is well known that a Scout Troop whose parents are active will be a happy and successful group. The experience your boy has depends largely on your interest and encouragement. We're always looking for parents to fill roles within the Troop, and are always open to suggestions for new roles for parents.

- Serve on the Troop Parent Committee (Ongoing)
- Serve on Boards of Review for rank advancement (Occasional or Weekly)
- Serve as a Merit Badge Counselor (Occasional, individual or group)
- Attend campouts and projects (Monthly or more)
- Provide transportation (Monthly or more)
- Assist on Special Activities (Occasional)
- Serve as an Assistant Scoutmaster or Committee officer (Ongoing).
- Complete Youth Protection Training.

We hope that you will say "Yes" when your opportunity arises. If you are unable to help, do your best to encourage your own scout and their friends on the Scouting Trail.

www.troop-114.org

Troop 114 has an interactive website for parents and scouts. www.troop-114 has contact information, forms, materials, calendars and photo galleries for members to access. Membership is required to access certain areas of the site. Once the Troop has processed a paper application, you'll receive your login and password by email. Your email address will also be added to our mailing list. If you have additional email addresses where you'd like to receive Troop emails, use the mail sign up form on the bottom of any page at www.troop-114.org. You'll receive a confirmation from Troop Leadership when an address has been added.

If your have friends and family that are interested in joining Scouts, feel free to send them to the website. It's a great promotional tool that will provide folks with lots of information about scouting and the philosophy of Troop 114.

Scoutbook.com

Troop 114 uses scoutbook.com, a cloud based, mobile friendly database to record and track advancement, merit badges, service hours, troop activities and training. During registration, we'll use the email address provided to send an invitation to join scoutbook.com. You'll also have the option of inviting your scout to join, so they can have access to their own profile, and monitor progress towards advancement, merit badges and service hours.

Help Wanted

There's always plenty of opportunities for adults to help the Troop. Some positions are ongoing, some are for one big event. Chances are that you have skills that would make you a great teacher of one or more of the 138 merit badges. This is a great way to get started!

Attend Parent Committee meetings and Scoutmaster's Summits to find out the best way to get involved.

Costs

Annual Troop Dues - \$140 due in January of each year. These dues cover the following Troop costs:

- Registration with the Boy Scouts of America
- Subscription to Boy's Life, a publication of the BSA
 - All rank, position and award patches
- Patrol Camping Gear (tents, stoves, group items)
 - Campsite Reservation Fees
- Troop insurance, supplies, projects and maintenance

First year families receive reduced rate of \$70 due to the other costs associated with joining the Troop. We hope this aids in the purchase of equipment, uniform and camp fees in the first year after which fundraising will be more available to help in year two and beyond.

Scout Accounts

Upon joining, your scout will be set up with a Scout Account with the Troop. This account can be used for any purchases related to Scouting. Proceeds from fundraising will be deposited and withdrawals can be made in two ways:

- 1. Pay for camp, dues and fees by indicating the desire to use your Scout Account.
- 2. Be reimbursed for uniform or scout purchases by submitting receipt to the treasurer. Scout accounts are for scouting related purchases only. Scouts whose registration lapses forfeit any remaining balance. The Troop reserves the right to utilize funds from a Scout account to pay any unpaid or overdue balance.

Holiday Greens

October - November Each fall, scouts are provided with sales information to sell Holiday Greens.

Orders are taken throughout the month. Delivery occurs in December. All proceeds are deposited in your family Scout Account, usually around 33%.

King Soopers & Safeway Gift Cards

Purchase a reloadable gift card from the Troop, earn 5% immediately, and

5% for each time you reload it for grocery or gas purchases.

Trails-End Popcorn Sale

September - October Each year the Council offers a Popcorn sale to all Scouts. If your scout already has a customer list from Cub Scouts, he may find the program worth continuing. Scouts receive all proceeds, usually around 30%.

Jim Meyer Memorial Fund

Jim Meyer - Assistant Scoutmaster 1967-2005

Troop 114 believes that where there is interest, there should be a way, and therefore maintains a scholarship fund to help members of the Troop with equipment, fees, training and other expenses. If you're unable to participate in any given activity due to financial hardship, please contact the Scoutmaster, or Committee Chair to see if the Troop can help you. You may also fill out an application on the website. Decisions are at the discretion of the Committee and many options and plans can be tailored to meet the needs of those requesting.

Uniforms

Each Scout is required to wear an official "Class A" BSA uniform. The complete uniform is to be worn for Troop meetings, travel to and from campouts, at church services on campouts, and for special events. The uniform includes the khaki shirt, olive green pants or shorts, webbed belt, neckerchief and slide, socks and Scout Handbook. Please encourage your scout to wear the uniform to all outings, unless specifically announced otherwise. A "Class B" troop t-shirt is also available and is suitable for travel to camp and good for casual activities. The general rule of thumb is to wear your "Class A" uniform unless it's announced otherwise.

The Troop will provide most of the insignia for your scout's uniform. Denver Area Council patch, patrol patch, International Scouting patch, and neckerchief will be presented at the induction by Troop leaders.

What the Troop provides:

The Troop will provide most of the insignia for the uniform, don't purchase the following, even if the Scout Shop suggests that you'll need it (unless it's already attached to the shirt):

- Denver Area Council patch
- 75-Year Bar •
- 114 Numerals—Founder Strip
- Patrol Patch
- Dark Green Epaulettes
- World Scout Emblem (purple)
- Journey to Excellence Gold 2018
- Neckerchief (Handmade)

Patches may be sewn on, or glued on with "Patch Magic" available at the Scout Shop. There are sources on the internet for exact placement of patches.

Right Sleeve

American Flag Already Attached

Patrol Patch

Arapahoe District

Journey to Excellence Unit Award 2016

Troop Numerals and 75 Years of Service Bar (This may be on a singular patch)

Council Shoulder

World Scout

The Troop will provide a Scout Handbook. They should bring it to all activities. Only one book is used throughout the entire Scouting career, so be sure to mark their name in it, covers are highly recommended.

What you'll need to purchase:

Scout Shirt - Youth & Adult Sizes ~ \$29.99 to \$49.99 Scout Pants, or Scout Shorts ~ \$20.99 to \$39.99 Scout Belt - \$12.99 Scout Socks - \$7.99 (ankle or crew)

Denver Area Council Scout Shop

(303)477-4830 10455 West 6th Ave. Suite 125 Denver, CO 80215

Or online at www.scoutstuff.org

Experienced Uniforms - Troop 114 also has an "experienced" uniform program which offers free used uniform parts. Please also consider donating your old uniform parts when they are outgrown and replaced. Ask a committee member if you are interested!

TROOP 114 GUIDELINES

Updated: January 8th, 2019.

- 1. Any Troop activity or function must have a minimum of two adults present in accordance with Youth Protection Training.
- 2. The Scoutmaster has authority to cancel campouts, without prior Committee action, if ample parent participation is not available.
- 3. Camping and other activities must be approved by the Committee in advance.
- 4. Leaders are authorized to collect camping fees in advance. If the fees are not paid by the deadline, the Scout may, or may not, be allowed to attend that function.
- 5. If a Scout indicates he plans to attend a function that involves any cost or fee (for food, etc), they forfeit that fee if they cancel after money has been spent by the Troop.
- An active Scout or their immediate family may borrow Troop equipment.
 Arrangements must be made through the Troop Quartermaster, Scoutmaster or Committee Chair.
- 7. Troop equipment may be loaned to organized youth groups with approval of the Scoutmaster and the Committee Chairperson.
- 8. A new Scout must be registered with dues paid before being inducted into the Troop.
- 9. A Scout must turn in a Health Form and Liability Release before they may attend Troop campouts.
- 10. Any activity performed as a Scout activity must have prior approval of the Scoutmaster or his designee. This includes Patrol meetings, hikes, projects, conservation or community service, and all outings.
- 11. A Scout is expected to attend as many Troop meetings as possible. At the Scoutmaster's discretion inactive Scouts may not hold a leadership (warrant) position, or be a member of the Senior Patrol.
- 12. Throwing rocks, snowballs, pine cones, etc. is forbidden.
- 13. No open fires (stoves, lanterns, candles, matches, etc.) are permitted in tents.
- 14. Rock and tree climbing is prohibited. The exception is the Troop's organized rock climbing program, which is under strict adult training and supervision.
- 15. No Scout may leave a camping area without a "Buddy", and permission of the Senior Patrol Leader.
- 16. Hands will be washed with soap and water before handling food and before eating.

- 17. Scouts must earn a Totin' Chip card before using any knife, saw, hatchet or splitting wedge without supervision. They must pass a "Stove Training" program before being permitted to light camp stoves without supervision.
- 18. Scouts are not permitted in the adult Committee camping area without permission of the Committee.
- 19. The date for notifying Patrol Leaders of attendance on camping trips is generally the first (1st) Troop meeting of the month or the Patrol Leaders Council Meeting before the event. Menus and camp plans are due at the PLC.
- 20. Scouts are not permitted to leave the Scout Hut during Troop meetings except as part of a supervised activity. Scouts should be picked up by their parents or their designee at 8:30 p.m. on regular meeting nights. Parents should pick up scouts promptly after all activities.
- 21. No cell phones or other electronic devices such as games or music players are allowed outside of cars on campouts unless previously authorized. The Troop assumes no responsibility for damaged cell phones or electronic devices.
- 22. Do not bring soda pop on campouts, other than as part of the sack dinner in the car on Friday night. High-caffeine energy drinks should never be brought on campouts or in the car.
- 23. Do not use cots in troop tents, as they tend to damage the tent floor.
- 24. All adults in contact with scouts must complete at minimum Youth Protection Training. (YPT). Available online www.my.scouting.org or periodically during live Troop 114 training sessions.

Information for New Camping Parents

The following information and guidelines should help a parent who is camping with the Troop for the first time:

- As adults, our main role in a Scout Troop is to "serve and protect" our kids. This means we
 monitor their activities to ensure they abide by the Scout Oath, Scout Law, and the Guide
 to Safe Scouting. We provide logistical support such as transportation and money.
- All adults attending camp or activities must complete Youth Protection Training. This can be found online at my.scouting.org
- In Scouts, we encourage our kids to take control and run the program. This is a big change from Cub Scouts where adults are "in charge." We encourage new parents to step back from your kids and let them become independent. If on a campout or at a troop meeting you feel inclined to show them how to do something "better" or more "efficiently," resist the temptation until you have been trained in the Scouting method. This is a difficult step for all of us parents, but one which will reward you in the future with strong capable scouts.
- Scouts camp and sleep with their patrols in patrol tents; parents sleep separately in the Committee campsite. Our goal as a troop is to encourage Scouts to develop teamwork, independence and self-reliance by following the patrol method.
- Adults usually bring their own tents. Upon request, the troop can provide a tent for any adults who need one.
- We camp in tents only no RVs or campers unless arrangements are made ahead of time with the Scoutmaster.
- Adults cook and eat together in the Committee campsite. Each meal is assigned to one of the parents attending, who is responsible for buying and preparing the food. Costs are shared among all the adults attending.
- Committee cooking equipment includes a gas stove, pots, pans, coffee pot, common cooking utensils, and wash-up materials. Special items such as Dutch ovens, large griddles, extra-large kettles, etc. are available, but you must assure that they get packed. (If you want to cook on charcoal or a fire, be sure that the current fire regulations allow open fires where we will be camping.)
- The following staples are provided by the Committee you don't have to buy them if you are responsible for a meal: coffee, salt, pepper, coffee creamer, aluminum foil, paper towels, matches
- Parents should follow the same equipment packing list as the Scouts. In particular this should include eating utensils, appropriate boots, water bottle, sun protection. For winter camping avoid cotton clothing.
- Alcohol is not allowed on any Scouting activity, in accordance with national Boy Scouts of America rules.
- Smoking is discouraged, and banned at most camp facilities. If you must smoke, it must be out of view of the Scouts and in a safe area.
- Parents should abide by the guidelines for Scouts. This includes the Scout Oath, Scout Law, Buddy System, and all those other things that we would rather ignore (no electronic gizmos, no climbing, no throwing stuff). Remember we set the example.
- If an unsafe condition or activity is observed, please step in and correct it. Remember we are always positive with the Scouts and follow the Guide to Safe Scouting and Youth Protection guidelines. The Scoutmaster in charge of the activity should always be notified if an unsafe condition was observed or if a Scout was injured or reprimanded.

Troop 114 Girls Talent Survey

It takes a lot of coordination to pull off the activities we do. You can help by sharing pertinent information about you and your family. All answers are optional, sharing more can help us match your specific skills to the jobs we need help with!
